

Call for Entries of The 6th Edition of Fete des Bulles (Changchun) and 24H International Comic Marathon

The comic marathon's creation is coming from the world's largest comic exhibition - France Anguleme International Comic Festival, each cartoonist needs to finish a complete story in accordance with the ruled topic in a limited time. This competition with full of Olympic spirit has been successfully held several times in Jilin Animation Institute. The time, we creatively focus on the interaction and collaboration between the same majors in colleges and universities, through inviting students at home and abroad to draw cartoons together in unstopped 24 hours, which will inspire the common prosperity of different cultures.

I. Competition Purpose

This competition aims to build a creative exchange platform for young cartoonists, encourage college students and young people to explore a variety of original commercial cartoons, discover excellent creative talents, strengthen the study and communications of young cartoonists between partner colleges and universities at home and abroad,

and jointly discuss the training mode and direction of young cartoon talents.
