JAI 2022 GLOBAL TALENT RECRUITMENT

JAI is hiring leaders, professors, associate professors, researchers, lecturers, teachers and Tech teams in animation, comics, game design and development, design, film and TV, VR and AI technology, management and marketing in the cultural and creative industries and civil aviation.

We fund entrepreneurship programs and reward employees who produce successful works with bonuses, profits and share options. We provide sufficient training, further education opportunities, academic and industry exchanges, research initiation fund, settling-in allowances, festival gifts and more.

The salary range for researchers, industry experts and Tech teams is 100,000 – 300,000 RMB/year. We encourage Chinese and Chinese overseas students to apply for these positions. ([More Information](#))

JAI FIRST-CLASS UNDERGRADUATE MAJOR CONSTRUCTION

Recently, the General Office of the Ministry of Education issued a Notice on announcing the List of National and Provincial First-class Undergraduate Program Construction Sites in 2021 (Letter of the Ministry of Education and Higher Education No. 14, 2022).

Three majors of JAI (Animation, Digital Media Technology, Visual Communication Design and Art and Technology) are selected as the national First-class undergraduate major construction points in 2021, and three majors (Network and New Media, Performance and Product Design) are selected as the provincial First-class undergraduate major construction points. The approval of the 6 first-class professional construction sites is another great achievement in the professional construction of JAI. ([More Information](#))

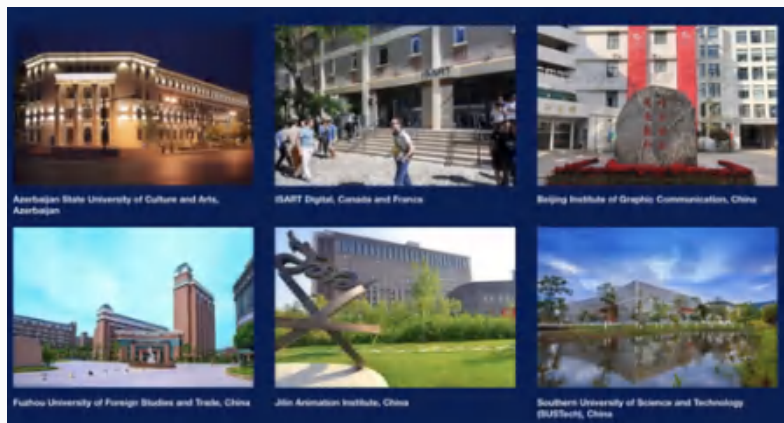

THE FIRST IN JILIN PROVINCE JAI SUCCEEDED IN JOINING THE INTERNATIONAL ASSOCIATION OF UNIVERSITIES AND COLLEGES OF ART, DESIGN AND MEDIA

JAI was invited to attend the General Assembly of Cumulus Association. At the meeting, Ms. Mariana Amatullo, resident of Cumulus Association, announced that JAI and 21 other new members have officially become members of the Cumulus. JAI became the first academy of Cumulus in Jilin Province.

Join the Cumulus successfully is an important step for JAI design subject in international development.

It also provides a higher and broader platform and more opportunities for JAI to participate in the international top design colleges and universities cooperation and exchanges, which further speeds up the pace of JAI internationalization. ([More Information](#))

SUCCESSFULLY HELD THE 17TH CHINA CHANGCHUN FILM FESTIVAL "2022 CHINA-JILIN FILM AND TELEVISION EDUCATION AND INDUSTRY DEVELOPMENT FORUM"

On August 27, as one of the branch activities of China Changchun Film Festival, the "2022 China-Jilin Film and Television Education and Industry Development Forum" was successfully held at Jilin Animation Institute.

On the 30th anniversary of the Changchun Film Festival, "The 2022 China-Jilin Film and Television Education and Industry Development Forum" is conducted by combining online live broadcast and offline forum. With the theme of "New Generation Film and Television Education Empowering Industry Development", representatives from many domestic experts and scholars gathered in JAI to discuss issues such as film and television education and industrial potential, combined with current industry trends, technological innovation, and cross-border cooperation. The forum was committed to improving the quality of film and television talent training, promoting film and television cultural exchanges and mutual learning and industrial cooperation for win-win results. FOUR PROJECTS OF JAI WERE RATED AS THE TYPICAL CASES

Recently, good news came from the 57th China Higher Education Expo held in Xi'an, Shanxi Province. Jilin Animation Institute(JAI), Jilin JAI Vixo Pictures Co.,LTD. and Jilin JAI TianBo Film and TV Production Co.,LTD. jointly declared four projects, including "The Innovation and Development of the Deep Integrated School-running Mode between the University and Enterprise of the School of Animation Industry under the New Liberal Arts Background". It was rated as the typical case of the "Double Hundred Plan for University-enterprise Cooperation" by China Higher Education Association. Tan Haoyue, Executive Vice President of Film and Television Business Group of JAI Vixo Pictures Co.,LTD., attended the award ceremony on behalf of the winning units and individuals and made a speech on typical experience. THE GRADUATION AND DEGREE AWARDING CEREMONY OF 2022 GRADUATES OF JAI WAS HELD

On June 27, 2022, Jilin Animation Institute(JAI) held a graduation ceremony and degree awarding ceremony for 3,103 graduates of 2022 in the form of "lawn ceremony and live online".

JAI has set up a graduation photo shoot location on the lawn next to the Central Avenue. Graduates wore cap and gowns with the school bages and took pictures with the teachers and classmates. Many graduates also used video connection to share this unforgettable moment with their families. ([More Information](#))

THE 6TH EDITION FETE DES BULLES CHANGCHUN ENDED SUCCESSFULLY

At 14:00pm on May 24, 2022, the international cartoon exchange activity of "The 6th Edition Fete Des Bulles Changchun", sponsored by Consulat général de France à Shenyang and Jilin Animation Institute (JAI), and organized by School of Comics of JAI, ended successfully online. Many Chinese and French amazing novel writers and industry guests led us into the world of comics and felt the charm.

The successful holding of this event has enabled students to further understand the development trend of World Comics, improved the knowledge cultivation and creative vision of JAI students, and reflected the professional attitude and professional quality of JAI teachers and students. Jilin animation Institute will continue to be committed to cultivating and mining comic works with Chinese cultural characteristics. At the same time, it will also actively use the Internet media to communicate with comic creators and comic professional colleges around the world to explore the development of comic discipline.

"2022 EAST ASIAN COMIC STORY SEMINAR" WAS HELD SUCCESSFULLY

On May 17, the 2022 East Asian Comic Story Seminar, co-hosted by Jilin Animation Institute in China, Pusan National University in South Korea and Beppu University in Japan, was successfully held online.

Nearly 40 young cartoon talents from three universities in China, Japan and South Korea carried out in-depth and enthusiastic discussions on the creation ideas and innovative ways of comics and other related academic issues through the Internet, which laid a foundation for further strengthening the multi-dimensional deepening and communication of comics major. Mr. Chang Song and 15 students from School of Comics participated in this activity as representatives of JAI. [\(More Information\)](#)

JAI'S CHINESE COMICS WORKSHOP COMES TO A SUCCESSFUL CONCLUSION

From April 4th to 23rd, Malaysian comics artist and illustrator, Chang Lip Wei collaborated with JAI in the form of an online comics workshop. During the difficult time when students tried to stay safe against the pandemic in Changchun, this learning experience provided a space for students to immerse themselves in their passion for comics.

During the 16 days, Lip Wei also shared his experiences in working on commercial comics and illustrations with students and discussed his teaching philosophy with the faculty of JAI's School of Comics.

STUDENT WORKS OF JAI WERE SELECTED FOR "THE NORTHEAST PERSON 2050" POSTER DESIGN COMPETITION TOUR EXHIBITION

Recently, the 26th French Month came to a successful conclusion. During the event, French embassies and consulates in China, Switzerland, Canada, North Africa and other countries and regions held various activities to promote the culture of the France and show the diversity of the French language.

Creativity is the innovation of tradition, a philosophy that breaks the rules, an intellectual expansion, and a display of cultural deposits... This competition fully demonstrates the solid professional level of our students, highlighting the personality and rich imagination of JAI students. In the future, the university will continue to provide a platform for students to display and communicate on the international stage. We hope that students can enhance the connotation and value of their works in international competitions and make achievements. [\(More Information\)](#)
